

# CERTIFICATE

This is to certify that the company

## Günter Bissinger Medizintechnik GmbH

Hans-Theisen-Str. 1  
79331 Teningen  
Germany

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System**.

### Scope:

Design, manufacturing, repair and distribution of surgical devices (RF-surgical unit Compact Coagulator 8070, sterile / non-sterile bipolar and monopolar instruments, and accessories for electrosurgery) and of non-active medical devices (Uterine manipulator, surgical instruments of class I)  
Manufacturing and repair of surgical instruments, conventional and CNC-production of machined parts and threads, laser welding, plastic coating for medical devices

Through an audit, documented in a report, performed by DQS Medizinprodukte GmbH, it was verified that the management system fulfills the requirements of the following standard:

## EN ISO 13485 : 2012 + AC : 2012
